Summary: With both strong technical skills and deep design experience, I build modern, responsive websites from design to code to deployment with a continuous focus on user experience, accessibility and mobile usability

Experience

SENIOR WEB DEVELOPER

[2019-PRESENT]

WEB DESIGNER / PRODUCER

[2016-2019]

UC SAN DIEGO

- Developed custom plugins for content management systems that increased functionality and drastically reduced wasted time and effort
- Overhauled CMS backend templates to function more dynamically, resulting in far less code and more modular, maintainable code
- Led rollout of API endpoints, making content on our applications instantly more usable and valuable
- Designed and rethought numerous UIs to make transactions more intuitive and streamlined for the user

DESIGN DIRECTOR

[2010-2016]

SAN DIEGO UNION-TRIBUNE

- Raised the bar on design quality and accountability, significantly increasing international design awards garnered
- Rebuilt team culture from the ground up, resulting in greater creative collaboration and skills development
- Led with a modern management style, utilizing the cloud and remote work to improve efficiency; social media to enhance design reputation
